Welcome

A very cordial welcome is extended to all of our families. We are happy to have your child with us in our Preschool program and look forward to a successful year together. We are glad that you have chosen Midland Public Schools for your educational needs.

Working with you and your child to provide the best possible experience is our goal and our responsibility. In keeping with this charge, we are providing this handbook to better acquaint you with the policies and procedures related to the program.

The rules and guidelines included are necessary to make the program an effective place in which to help children grow intellectually, socially and emotionally. Please read it carefully and keep it handy for future reference.

If you have any questions regarding the program, please feel free to contact Kelli Jolly, Program Director, at e-mail JollyKC@midlandps.org or call (989) 923-6037.

Program Philosophy

Activities in the Preschool program are designed to be flexible enough to meet each child's individual developmental needs. The program is designed to provide a quality early childhood education opportunity for parents/guardians. The environment is child-centered with individual, small and whole group activities. Curriculum will be built into the framework of the International Baccalaureate Primary Years Programme as a part of the authorization process at Adams Elementary. The lead instructor is highly qualified to deliver said curriculum. Activities will be selected based on interest and needs of the children, focusing on fun, inquiry, safety, the pillars of the IB Learner Profile, and the importance of peer interaction. Daily activities will include, but are not limited to, arts and crafts, games, science, math and nature projects, literacy, individual projects, recreation (gym and playground) and rest time. Our program strives to meet the following goals:

- To provide parents/guardians with a quality, comprehensive program to prepare your child for Kindergarten.
- To assist children in reaching their full potential through activities that develop confidence, inquiry, traits of the IB Learner Profile, self-esteem, social skills and relationships, character, physical skills and teamwork.
- To support academic skills development in a fun and enriching environment.

Admission Policy

To enroll, a child must reach the age of four on or before September 1, 2015 and not be eligible to enroll in Kindergarten. Registrations will be accepted beginning Monday February 9, 2015. Prospective parents may drop off completed enrollment packets and a \$25.00 registration fee (checks payable to Midland Public Schools). A waiting list will be maintained once the program is full and slots offered accordingly if there is a withdrawal from the program. Registration fees for students that did not gain an enrollment slot will be refunded. Each child enrolling in the program must have the following items completed and on file before they can attend:

- Registration Forms and Registration Fee
- Child Medical and Information Form
- Immunization Record

For the 2015-2016 school year, Adams Elementary will host the MPS preschool program.

Transportation Policy

Transportation is the sole responsibility of the parent/guardian. If a child is to be picked up by someone other than the parent/guardian, the person must be listed on the student release form and be able to present applicable identification. If transportation to an outside venue (field trip) is necessary, permission forms will be distributed and collected for each occurrence.

Medication Policy

All medication must be brought to the office in its original container. A medication permission slip must be filled out as per MPS district policy. Instructions and medication permission forms may be obtained upon request from the school office. All medication will be administered by the school office designee.

Absences and Sick Days

Call your preschool room to report any absence. It is important that we know when your child will not be attending the program. If we are not notified of your child's absence, the staff will begin trying to locate the child. Your help in keeping us informed of absences will save a lot of worry and time for everyone involved.

Emergency Procedure

In the event of an accident or emergency, parents/guardians will be contacted immediately. If we are unable to reach the parent/guardian, we will contact those listed on the child information form. The parent/guardian will be responsible for any incurred expenses. **For your child's benefit, please keep the Preschool staff updated on any emergency phone numbers.**

Fire Emergency

All fire drills will be documented in the fire drill log which will be kept available at Adams Elementary

Immediately upon discovery of any kind of fire in the building, or to initiate a fire drill, the fire alarm will be sounded.

Upon hearing the fire alarm, staff members will immediately react as follows:

- All children will be instructed to keep quiet and form a single file line holding hands with the child immediately in front and the child immediately behind. The assistant teacher will be instructed to check the classroom bathrooms before leaving.
- The lead teacher will immediately take the children along with the daily attendance log out through the lower elementary double doors which lead to the lower elementary playground.
- Once at the designated meeting place, the teacher will instruct the children to sit down quietly and proceed to take roll using the daily attendance log.
- All children will be kept together and children will not be released to anyone other than their parents or other designated guardian as specified on the child' information form.

Children with Special Needs:

The preschool staff will get to know the individual needs of each child enrolled in the program. If needed, an emergency plan will be discussed with the parents to determine the best way to support the child in the case of an emergency.

Tornado Emergency

In the instance of a tornado warning, the teacher will instruct all children to gather in bathrooms and bathroom area of the preschool classroom. The teacher will take the daily attendance log. The children will be instructed to sit down and duck and cover. They will be instructed to keep calm and quiet while the teacher takes roll. The children will remain in this area until the tornado warning is cancelled.

All children will be kept together and children will not be released to anyone other than their parents or other designated guardian as specified on the child's emergency information.

Serious accident/illness/injury

In the event that any child is seriously injured or becomes seriously ill, the following procedures will be followed:

1. The teacher will remain with the sick or injured children. Emergency first aid is to be administered as necessary.

2. The assistant will call 911 to report the emergency. All emergency phone numbers are located by the classroom telephone.
3. Once the proper emergency medical personnel have been contacted, the parents of the sick or injured child will be notified immediately.

Food Service Policy

Program participants may purchase breakfast or lunch, at regular school prices, or bring meals from home. Snacks are provided at no additional charge. Meals and snacks provided by the school contractor (Chartwells) will meet all federal and state mandated nutritional guidelines. If your child has special dietary needs, please notify the Preschool Director. We encourage you to provide bottled water for your children to hydrate themselves throughout the day. Drinking fountains are available at all times for students upon request.

Days and Hours of Operation

The Preschool program is a full day instructional program that will begin the first full scheduled day of school and will end with the last day of the school year. **Preschool will follow all MPS snow days and delays.**

The district operating calendar can be found at the following website:

<https://new.midlandps.org/pages/district/calendar/>

- The official program start/end times are approximately 15 minutes after and 15 minutes before the normal Adams Elementary start/stop times.
 - 9:00 a.m. – 3:30 p.m.
- Before and after school care is available to parents free of charge beginning at 7:00 a.m. and ending at 5:30 p.m.
 - This service is subject to availability as no more than twelve students can be present until 8:00 a.m. when additional staff arrives. The same is true for after school care. No more than 12 students can be present from 4:30 – 5:30. Indicate the need for before and after care on the registration form. As space is limited, please communicate any changes in need as soon as possible to the Program Director.

NOTE: There will be a fee charged of \$5.00 per ten minutes beyond the scheduled closure time of 5:30. If an emergency arises, please contact the Preschool so accommodations may be made. Staff will not open doors of the room for before school care until 7:00 a.m.

- If there are a surplus of program participants needing before and after care, the program director will develop a schedule to provide equity in service and communicate it with program constituents.

Dress and Personal Belongings

Students should always be dressed for outdoor play. Items brought from home are the sole responsibility of the child. **Valuable items should not be brought to the program.**

Behavior/Discipline Policy

The Preschool program has been developed to provide a warm, positive environment which meets the children's daily needs. There are times when discipline problems occur and action will be taken. The following discipline guidelines have been developed in support of this environment.

Our staff will use positive methods of discipline, which will encourage self-control, self-direction, increased self-esteem and cooperation. The staff will explain to the child why certain behaviors may be inappropriate, and focus on what he/she should be saying or doing. Rules will be explained to the children.

If positive methods of discipline fail, staff will personally contact the parents to schedule a conference.

If behavior continues to be inappropriate, a second conference will be scheduled with staff members, parents and the Program Director.

Further unsatisfactory behavior will result in a three-day suspension.

Severe Behavior –Immediate three-day suspension or permanent removal from the Preschool program. Administrator and Program Director will determine severe behavior.

Tuition/Fees

A signed Enrollment Form confirms both the slot we will reserve for your child and the tuition rate. All tuition must be paid by Thursday for the upcoming week. Past the registration fee (check only), all tuition payments are to be made online via the MPS website. Several incremental payment options are available online for your convenience. **Please do not pay at the school office.** Tuition is charged for all the days a child is enrolled, regardless of an absence; refunds or credits will not be given unless there is an inclement weather day. Credit will be given for any days that MPS cancels school for any reason.

Program:

- Tuition is charged for all the days a child is enrolled.
- Meals are charged at a rate set by Chartwells Food Service annually.
- Snacks are provided free of charge to all participants.

After two weeks of non-payment, parents/guardians will be advised that unless satisfactory arrangements have been made with the Program Director, the child/children will no longer be able to attend. We do understand that unforeseen circumstances occur and we encourage you to make accommodations with the Program Director.

Please be aware we are funded only through parent tuition. If your tuition is not paid we cannot pay our expenses. It is necessary to have tuition paid, in full and on time. Thank you for your understanding and cooperation.

Returned Check Charges

Registration fee checks returned to the school from the bank for non-sufficient funds will result in a \$25.00 return check fee. The fee will be added to your next payment.

Program Late Fees

Failure to make payments in a timely fashion will result in a \$25.00 late fee per occurrence.

Payment Records

All participants should keep track of their own payments and receipts if intending to use this information for tax purposes.

Withdrawal Procedures

If it becomes necessary for you to withdraw your child from the Preschool Program, written notice must be given to the Program Director two weeks in advance. If a two week notice is not provided, the parent is responsible for the additional two weeks of tuition.

NOTIFICATION OF RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act ("FERPA") affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records.

These rights are outlined below:

1. The right to inspect and review the student's education records within 45 days of the day that Midland Public Schools receives a request for access. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask Midland Public Schools to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If Midland Public Schools decides not to amend the record as requested by the parent or eligible student, Midland Public Schools will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.
3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. Upon request, Midland Public Schools discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.
4.
